

# Wine List

## Welcome to TAK & Izakaya

"Wine is sunlight, held together by water."

Inspired by the harmony of Nordic and Japanese traditions, our wine list brings together craft producers, distinctive terroirs and a thoughtful selection of sake. Every bottle is chosen to complement the subtlety and depth of our kitchen.

If you would like to venture beyond the list, Sommerro's cellar offers a wider collection that I would be happy to guide you through.

\*Vintage might be different, all the wines may contain sulfite
